## **Annual Register of Merchants' Premises 1995** Royal Pharmaceutical Society

This is the 1995 edition of the annual register of agricultural merchants, saddlers and similar premises which the Pharmaceutical Press is responsible for maintaining. It includes the names and addresses of all such premises and those of their owners. The law requires that each set of premises has a nominated person and this publication supplies lists of suitably qualified persons, including those active in the field of veterinary medicines. Pharmaceutical wholesalers and others who sell medicines to registered premises, require such information to ensure that sales are conducted lawfully. Amendments to the register are produced on a regular basis.
