Blood Sugar

Nicole Blackman

Blood Sugar Nicole Blackman

Poetry. BLOOD SUGAR is a disturbing and evocative collection of new work and selected poems previously featured in Blackman's popular chapbooks *Pretty, Sweet, and Nice*. It is futile to resist her brutal accounts of obsession and beauty. So give in. "Blackman's spoken-word vignettes conjure up bleak, dangerous, death-haunted plots with matter-of-fact detail...Blackman has her own gift for tersely poetic aphorism--and a gift for turning nightmares into revelations"--New York Times. "[Blackman's] apocalyptic, spoken-word electrolysis...is a biting diagnosis of modern society"-Rolling Stone. "Beautiful, hypnotic...violence and sex intermingle and all pleasures are suspect"--Entertainment Weekly. "Sassy. Direct. Contemporary. Often merciless-impressive throughout"--Gwendolyn Brooks. "All girls are born with wings./They never tell you these things"--from "Fifteen, She Learns."

From reader reviews:

William Leininger:

Do you have favorite book? Should you have, what is your favorite's book? E-book is very important thing for us to know everything in the world. Each guide has different aim or even goal; it means that e-book has different type. Some people feel enjoy to spend their a chance to read a book. These are reading whatever they have because their hobby is definitely reading a book. Think about the person who don't like examining a book? Sometime, man feel need book whenever they found difficult problem or perhaps exercise. Well, probably you should have this Blood Sugar.

Tracie Berry:

The reason why? Because this Blood Sugar is an unordinary book that the inside of the book waiting for you to snap that but latter it will jolt you with the secret it inside. Reading this book alongside it was fantastic author who all write the book in such amazing way makes the content within easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have such as help improving your expertise and your critical thinking method. So , still want to hold off having that book? If I ended up you I will go to the guide store hurriedly.

Susan Spiegel:

You could spend your free time to see this book this publication. This Blood Sugar is simple to develop you can read it in the area, in the beach, train along with soon. If you did not get much space to bring typically the printed book, you can buy typically the e-book. It is make you quicker to read it. You can save typically the book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.

Eli Gaddy:

Is it you who having spare time after that spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This Blood Sugar can be the reply, oh how comes? A book you know. You are therefore out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?
