The solitary glance across a room incites the heart to quicken. They approach each other where the promise of contact becomes assured with a simple smile. Intimacy oozes around them as they edge ever closer into a heat which will never end. Light kisses on lips slip downward to those tender parts where only lovers go. Loins beacon pressing release from the masks of clothing. Once out in the open wetness fills the air with aromatic expectation. The lovers inexorably move toward juxtaposition where their joining plunges them into ecstatic union. The black hole of orgasmic power blends them into a cosmic singularity.
