Wilderness and Weather Are Easily Overcome. But Betrayal? Annie Justice sees things differently. Her unconventional condition, synesthesia, helped make her one of the most sought-after stained-glass artists in the country. And teamed with her German shepherd, she's just as successful in her work with the K-9 Search and Rescue Team, finding people seemingly hidden from others' eyes. But no one knows her expertise for hiding the childhood insecurities that plague her - until Jed Curry comes along. Then the search for a missing child goes awry, and Jed must reveal his true identity. He's prepared for Annie's anger, but not the hurt. And neither of them is prepared for the real trial ahead - something far more sinister and dangerous than their search. Can Jed and Annie overcome their unknown enemy - and the insecurities and secrets keeping them apart - before it's too late?
