Podopediatrics, 3e

Podopediatrics, 3e

Podopediatrics is the definitive text for all those needing clear, practical and authoritative information on the diagnosis and care of foot problems in children. For the third edition, Peter Thomson and Russell Volpe – both highly experienced in podiatric practice in the UK and the US – bring together a new team of international, expert contributors with a strong podiatric emphasis to give expanded, up-to-date and definitive coverage. Along with many important revisions and additions, the book contains an accompanying cd which includes test-yourself questions, additional images and video footage of assessment techniques.
