Two Dangerous Missions Collide with Explosive Results A suicide bomber blows up a hotel in Beirut, killing hundreds of people. A young American woman is kidnapped in Lebanon by terrorists. Connected or coincidence? Despite the government's difficulty in locating her sister, Liz Fairchild, a reporter from the States, is determined to find her...regardless of the risks. Meanwhile, Sergeant John Cooper and his elite Special Ops team hunt down Palestinian extremists in possession of a new undetectable explosive that will change the "face of terror." When Liz and Task Force Valor's paths intersect, more is at risk than their separate missions. While maneuvering through hostile territory, Liz and John realize they need each other to survive. Their antagonism gradually gives way to cooperation - and something more.
