Medical Truths Revealed!: Breaking the Misinformation Chain Mary Ellen Renna M.D.

Medical Truths Revealed is a tell all book that gives the real science about topics that have recently generated fear and controversy. It lends insight into the information that is perpetuated in the misinformation chain and tells the story behind medical topics that include autism and vaccines, BPA and plastics, cell phones, hormones in foods, Alzheimer's disease and much more. Many groups have an agenda that spreads misinformation to get their point of view out into public awareness, but at what price? The public needs to know the truth about these very important medical topics; not opinions based on fear and greed.

Unfortunately, many of these topics are talked about in all avenues of media by non-medical groups. This is leading us down a path where groups of people with an agenda are giving the public their medical information. This book gives the researched backed information about important medical topics that the public has been looking for!
