**It's raining again and Tovi and his friends decide to take a trip to get away from the bad weather. How about going to London? Will they have a good time? Let's find out ...**

Tovi books are designed in a simple animated way to give young readers the impression of watching a short film where Tovi and his friends play out their adventures.

The books are aimed at children aged 2-6 (picture books), who hopefully will join Tovi in his mini-adventures, and learn something about life and the world around them. As the lovable characters in these books share a whole range of experiences, they learn about sharing, about helping each other, and most important, they learn the value of friendship.

You'll be surprised what an exciting time little penguins can have!

**Tovi the Penguin** is a children's book series also available to buy on Amazon: **Tovi the Penguin - goes camping (Volume 1)**, **Tovi the Penguin - goes away for Christmas (Volume 2)** and **Tovi the Penguin - goes into space (Volume 4)**.

*"My children absolutely love Tovi, he is such a cute little character! They are already asking when the next adventure will come out and are trying to guess the next destination :-)* Nice to have a book that children enjoy multiple times, well done."

*A great book for toddlers or children up to 6 years old.*
