Young Pushkin: A Novel

Yury Tynyanov

Young Pushkin: A Novel Yury Tynyanov

Young Pushkin was first published in serial form between 1935 and 1943 and immediately achieved classic status in Russia. Although the author did not live to accomplish his full epic scheme, he did complete the first part, his fictional masterpiece of Pushkin's early years. This is the first English translation.

In a blend of encyclopedic knowledge and creative imagination, Tynyanov thrillingly brings early nineteenth century Russia to life--Napoleonic invasion, rapid political change, and a gallery of fascinating characters, including Pushkin's unusual family with its African blood stemming from his great-grandfather Abram Hannibal. At the center of it all is the young Pushkin, explosive, unpredictable, totally absorbed, constantly scribbling verses, consorting with women twice his age, and living it up in the capital with hussars and actresses, before being exiled for his reckless liberal verse. Tynyanov's novel not only captures Pushkin's impulsive, swift genius but also deftly foreshadows his place in Russian history. It includes notes, family tree, and a selection of Pushkin's early poems.

From reader reviews:

Jennifer Byler:

What do you ponder on book? It is just for students because they're still students or the item for all people in the world, what the best subject for that? Simply you can be answered for that concern above. Every person has distinct personality and hobby for every single other. Don't to be forced someone or something that they don't wish do that. You must know how great in addition to important the book Young Pushkin: A Novel. All type of book are you able to see on many resources. You can look for the internet resources or other social media.

Melanie Ratcliff:

Nowadays reading books become more than want or need but also be a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book this improve your knowledge and information. The info you get based on what kind of reserve you read, if you want send more knowledge just go with training books but if you want experience happy read one with theme for entertaining for instance comic or novel. The actual Young Pushkin: A Novel is kind of guide which is giving the reader unstable experience.

Brooke Jenkins:

Your reading 6th sense will not betray you actually, why because this Young Pushkin: A Novel guide written by well-known writer whose to say well how to make book which can be understand by anyone who else read the book. Written with good manner for you, leaking every ideas and writing skill only for eliminate your own personal hunger then you still hesitation Young Pushkin: A Novel as good book but not only by the cover but also from the content. This is one publication that can break don't assess book by its include, so do you still needing another sixth sense to pick that!? Oh come on your reading through sixth sense already alerted you so why you have to listening to an additional sixth sense.

Denise Welton:

Many people spending their time by playing outside using friends, fun activity together with family or just watching TV the entire day. You can have new activity to spend your whole day by studying a book. Ugh, ya think reading a book really can hard because you have to take the book everywhere? It fine you can have the e-book, having everywhere you want in your Smartphone. Like Young Pushkin: A Novel which is obtaining the e-book version. So , try out this book? Let's see.
