## 2017 Louis Sullivan Designs Mini Wall Calendar Louis Sullivan

Louis Sullivan (American, 1856-1924), a master of the early skyscraper, is often remembered for the most intricate details, the smallest elements of the buildings he designed. His ornamental flourishes adorned nearly everything, usually with an aspect of nature incorporated. While some of his work has been lost over the years, much has been saved thanks to dedicated preservationists. This calendar includes adaptations from architectural ornaments in some of Sullivan's most noted designs.
