A Woman's Guide to Gun Ownership Zoltan Fogassy

Let's face it, even in this day and age, sexism still exists. Women can be ignored, talked down to, or misinformed about many things cloaked under the guise of male-dominated markets—particularly gun buying and ownership.

But owning a gun isn't a guy thing. It's a right and privilege to which we all are entitled, regardless of gender, and women need to approach the shopping and shooting scenarios with confidence so they can make informed decisions; avoid costly mistakes; and, ultimately, realize the joy, security, and peace of mind that come with gun ownership.

A positive, easy-to-use guide for first-time or novice gun buyers, *A Woman's Guide to Gun Ownership* empowers women with the knowledge they need to shop for, purchase, and own a firearm. It explains the fundamentals of how guns work, the different types of firearms available, and their usage for home defense, as well as offering tips for how to combat bias when talking with gun shop employees, friends, and family members.

Additional features of this must-read text include interviews with female gun owners and information on websites, clubs, organizations, and other resources to which women can turn to further expand and understand their ownership experience.

From reader reviews:

Ila Robinette:

The book A Woman's Guide to Gun Ownership make you feel enjoy for your spare time. You need to use to make your capable considerably more increase. Book can to get your best friend when you getting stress or having big problem together with your subject. If you can make reading a book A Woman's Guide to Gun Ownership to become your habit, you can get a lot more advantages, like add your personal capable, increase your knowledge about a few or all subjects. It is possible to know everything if you like start and read a guide A Woman's Guide to Gun Ownership. Kinds of book are a lot of. It means that, science guide or encyclopedia or some others. So , how do you think about this publication?

Chuck Deschenes:

In this 21st millennium, people become competitive in each way. By being competitive at this point, people have do something to make these survives, being in the middle of the particular crowded place and notice by simply surrounding. One thing that often many people have underestimated the item for a while is reading. That's why, by reading a guide your ability to survive improve then having chance to stay than other is high. In your case who want to start reading the book, we give you this specific A Woman's Guide to Gun Ownership book as nice and daily reading reserve. Why, because this book is more than just a book.

Sandra Leggett:

Exactly why? Because this A Woman's Guide to Gun Ownership is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will zap you with the secret that inside. Reading this book next to it was fantastic author who else write the book in such awesome way makes the content on the inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of gains than the other book include such as help improving your proficiency and your critical thinking technique. So , still want to delay having that book? If I have been you I will go to the book store hurriedly.

Maria Levine:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's soul or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this A Woman's Guide to Gun Ownership can make you really feel more interested to read.
