*"Don't copy me!"* Children, parents, and caregivers know this refrain very well. Now it's Little Puffin's turn to say the words as three cheeky gull chicks follow him around, imitating his every word and step. The more Puffin protests, the more the gulls enjoy their silly game. Can he find a way to turn his frustration into a clever plan? With his usual wit and flair, author and artist Jonathan Allen turns a simple concept into a wildly entertaining tale—now available in board.
