Secret Celebrity Carol Wolper

A sharp witty and acute novel that exposes celebrity and image-obsessed Hollywood Carol Wolper writes in 'coolly conversational staccato prose that reads like a collaboration between Jackie Collins and Mickey Spillane' Publishers Weekly After a decade in the business, Christine Chase is a freshly-divorced thirty-five year old filmmaker suffering from a major life slump. So the big question for her is: How do you jump-start a life afflicted by the double whammy of personal and professional ambivalence? Deliverance comes in the form of a subject for a film: Richard Gault, famously elusive, mythically cool actor and musician who went underground in the seventies rather than sell-out. Christine is inspired to find him and to document her quest on film, so like a Hunter S. Thompson in Gucci stilettos, she sets off. Along the way, she gathers around her a hip and motley crew and learns a great deal about life, love and the price of fame. Hilariously acute and right on the money, Secret Celebrity is the perfect sharp-eyed novel for our celebrity-obsessed times.

From reader reviews:

Maria Davis:

Why don't make it to become your habit? Right now, try to prepare your time to do the important act, like looking for your favorite e-book and reading a book. Beside you can solve your trouble; you can add your knowledge by the publication entitled Secret Celebrity. Try to the actual book Secret Celebrity as your good friend. It means that it can to get your friend when you sense alone and beside associated with course make you smarter than ever. Yeah, it is very fortunate for yourself. The book makes you much more confidence because you can know almost everything by the book. So , let's make new experience and also knowledge with this book.

Lavonne Ouellette:

As people who live in often the modest era should be upgrade about what going on or facts even knowledge to make these keep up with the era that is certainly always change and progress. Some of you maybe will update themselves by reading books. It is a good choice to suit your needs but the problems coming to an individual is you don't know which one you should start with. This Secret Celebrity is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Earl Quintana:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book that improve your knowledge and information. The info you get based on what kind of book you read, if you want drive more knowledge just go with knowledge books but if you want truly feel happy read one together with theme for entertaining such as comic or novel. Typically the Secret Celebrity is kind of e-book which is giving the reader erratic experience.

Helen Widner:

What is your hobby? Have you heard this question when you got students? We believe that that issue was given by teacher on their students. Many kinds of hobby, Every person has different hobby. And also you know that little person just like reading or as studying become their hobby. You need to know that reading is very important as well as book as to be the thing. Book is important thing to increase you knowledge, except your teacher or lecturer. You will find good news or update regarding something by book. Different categories of books that can you decide to try be your object. One of them is Secret Celebrity.
