**Wild Tales: A Rock & Roll Life** Graham Nash

**From Graham Nash—the legendary musician and founding member of the iconic bands Crosby, Stills & Nash and The Hollies—comes a candid and riveting autobiography that belongs on the reading list of every classic rock fan.**

Graham Nash's songs defined a generation and helped shape the history of rock and roll—he's written over 200 songs, including such classic hits as "Carrie Anne," "On A Carousel," "Simple Man," "Our House," "Marrakesh Express," and "Teach Your Children." From the opening salvos of the British Rock Revolution to the last shudders of Woodstock, he has rocked and rolled wherever music mattered. Now Graham is ready to tell his story: his lower-class childhood in post-war England, his early days in the British Invasion group The Hollies; becoming the lover and muse of Joni Mitchell during the halcyon years, when both produced their most introspective and important work; meeting Stephen Stills and David Crosby and reaching superstardom with Crosby, Stills, Nash & Young; and his enduring career as a solo musician and political activist. Nash has valuable insights into a world and time many think they know from the outside but few have experienced at its epicenter, and equally wonderful anecdotes about the people around him: the Beatles, the Stones, Hendrix, Cass Elliot, Dylan, and other rock luminaries. From London to Laurel Canyon and beyond, *Wild Tales* is a revealing look back at an extraordinary life—with all the highs and the lows; the love, the sex, and the jealousy; the politics; the drugs; the insanity—and the sanity—of a magical era of music.

Some people has distinct feel when they reading a book. If you know how big advantage of a book, you can really feel enjoy to read a reserve. In the modern era like today, many ways to get book you wanted.

#### **Alicia Romero:**

As a university student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Wild Tales: A Rock & Roll Life can make you feel more interested to read.
