Two books in one! Here's the perfect Valentine gift for anyone who wants to start -- or end -- a personal relationship. Open this double-duty book from one side and it offers witty suggestions for meeting the love of your life. Turn it around and upside down and it's full of equally clever ways to break off a relationship that's gone wrong. The tone is light and hip, but the suggestions are solid, ranging from running an ad to running in the marathon as ways to meet a lover and from sending a singing telegram to sending a break-up beargram as ways to drop a lover.
