Beautiful bi-racial bombshell, Cashmere Jones, leaves no room for error as she boldly steps into her inheritance in the fast paced, Los Angeles escort agency, Living Lavish Enterprises. The twenty-one-year-old quickly proves her weight in gold at LLE as she strategically recruits and finesses a stable of top notch, drop dead gorgeous, money magnet professionals from all walks of life.

Pulling double-duty, Cash also manages to make a name for herself as a deceptively dangerous and deadly force to be reckoned with on the seedy streets of L.A. She will not be denied nor deterred any longer from her ultimate goal of seeking power, respect, and retribution after witnessing the cold-blooded murder of her own prostitute mother at the tender young age of ten.

As the drama unfolds, *Cash Only* takes readers on a fantastic urban voyage through the daily goings-on in the brothel: erotic sexcapades, drug cartels, murders, money, vengeance, scandals, and ultimate betrayals.

Cashmere soon learns that the very people she thought she could trust, are actually the ones to watch.

Everyone has a motive and in this Hoe Cartel, *no one* is safe!
