**Construction Estimating for General Contractors (Wiley Series of Practical Construction Guides) Leo Diamant**

The first book to provide general contractors with complete coverage of the pre-bid process, this practical guide describes all the necessary components involved in the estimating process. Offers step-by-step guidelines for preparing an accurate bid without getting bogged down in the details. Topics include developing the cost sheets for bidding the total projects, methods of obtaining and recording subcontractors' bids, how to negotiate effectively during the bidding period, and how to evaluate the bids received. Includes an appendix with a cost sheet and accompanying takeoff sheets for a typical bid.
