In 1914 ten Fords were imported for Havana's first taxi fleet. This was the beginning of an invasion of American cars. Cuba became one of the largest markets for Detroit-manufactured vehicles in the Americas. Quite a number of pre-war cars have survived - are mostly used as taxis in Havana. Some of them are almost 90 years old and can be seen at work every day on Cuba's streets. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
