*Martin G. Abegg, James E. Bowley, Edward M. Cook, Emanuel Tov*

**The Dead Sea Scrolls Concordance** Martin G. Abegg, James E. Bowley, Edward M. Cook, Emanuel Tov  
For decades a concordance of all the Dead Sea Scrolls has been a major desideratum for scholarship. The Dead Sea Scrolls Concordance consists of three volumes and covers all the Qumran material as published in the Discoveries in the Judaean Desert series, as well as the major texts from caves 1 and 11, which appeared elsewhere. Volume 1 indexes the non-biblical texts from Qumran, Volume 2 is a concordance to the non-biblical, non-Qumran Judaean Desert documents, and Volume 3 provides a convenient index to all of the biblical materials found in a wide range of Judaean Desert sites. All keywords have an English translation, and they are listed in alphabetical order rather than by verbal root, which makes the concordance easier to consult for the non-specialist.
