**The Masterpiecers (Masterful)** Olivia Wildenstein

**THE MASTERPIECERS by Olivia Wildenstein is a true masterpiece. It has an original plot that has been very cleverly thought out, and is one that I guaranteed will grab the reader from the first page. It isn't just a simple story of winning a prize or getting out of jail free; it is a story of deceit, of lies and secrets that unfold throughout the plot. --review by Readers' Favorite**

Nineteen-year-old Ivy Redd's talent with a needle and thread has earned her a spot on a coveted reality TV art competition set in New York's Metropolitan Museum. The prize: a significant amount of money and instant acceptance into the Masterpiecers, the school that ensures new artists fame and fortune. Her talent has also thrust her and her twin sister, Aster, into the spotlight.

Not that Aster needed help with becoming a media favorite. She managed that on her own by running over a wanted Mafioso. She told the police it was self-defense, because she couldn't tell them the truth—the truth would make her sister look bad.

Locked in an Indiana jail to await her trial, Aster watches Ivy on the small TV hanging in the dayroom. It's the highlight of her day, until she finds out what her sister truly thinks of her. Then, observing her sister becomes a punishment far crueller than imprisonment.

Discover a "glamorous mystery," perfect for fans of Knoll's *The Luckiest Girl Alive* and Hawkin's *The Girl on the Train*.

### From reader reviews:

#### **Robert Ford:**

Throughout other case, little people like to read book The Masterpiecers (Masterful). You can choose the best book if you want reading a book. Provided that we know about how is important a book The Masterpiecers (Masterful). You can add information and of course you can around the world by the book. Absolutely right, because from book you can understand everything! From your country until foreign or abroad you will find yourself known. About simple factor until wonderful thing you could know that. In this era, you can open a book or even searching by internet unit. It is called e-book. You may use it when you feel weary to go to the library. Let's read.

#### **Herbert Haubrich:**

What do you about book? It is not important to you? Or just adding material when you need something to explain what your own problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every person has many questions above. They have to answer that question because just their can do that will. It said that about e-book. Book is familiar on every person. Yes, it is suitable. Because start from on kindergarten until university need that The Masterpiecers (Masterful) to read.

#### **Christopher Henricks:**

Don't be worry if you are afraid that this book may filled the space in your house, you will get it in e-book way, more simple and reachable. This particular The Masterpiecers (Masterful) can give you a lot of pals because by you investigating this one book you have thing that they don't and make you actually more like an interesting person. This book can be one of one step for you to get success. This book offer you information that probably your friend doesn't realize, by knowing more than some other make you to be great people. So , why hesitate? We need to have The Masterpiecers (Masterful).

#### **Brandy Godwin:**

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their passion. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Masterpiecers (Masterful) can make you sense more interested to read.
