The MGH Primer of Outpatient Medicine Ethan M. Basch MD, Wells A. Messersmith MD, Shana L. Birnbaum MD, Celina Garza MD

The MGH Primer of Outpatient Medicine covers all areas of adult ambulatory care. It is an introduction to ambulatory care for house staff as they start their ambulatory care rotations, as well as for medical students as they start their clerkships. You'll find evidence-based citations, advice on how to survive the rotation, ABIM-style board review questions, and many boxes, tables, and bulleted lists.

A Brandon-Hill recommended title.
