## CHEATING BASTARD

He can get away with anything...

Anytime, anyplace. Blake never has problems finding tricks, and he's learned that half the fun is in doing it behind his boyfriend Todd's back. But when Todd suggests a threesome to reignite their relationship, the opportunity to bring in one of his regulars and dupe his boyfriend right under his nose is too tantalizing to resist.

Todd loves Blake, but after Blake's cancer treatments, it seems nothing Todd does can excite him. For six months, he's waited patiently for his boyfriend's interest to return, but it's clear if he doesn't do something drastic, nothing will change. In a desperate attempt to save their relationship, he suggests a threesome. He expects it to be difficult. He expects to get jealous. What he doesn't expect is to have the hots for their new toy...and for both of them to want Blake out of the picture.

## LYING BASTARD

Take me, Brad. Hurt me. Break me.

Freshman Ian craves something brutal. Something violent. Something dangerous. After an encounter with Brad, his student orientation leader, he believes he's discovered the guy who can give him exactly what he needs. But when Brad ignores Ian's attempts to reconnect, Ian knows it's because he fears what they shared. He's sure if he can just get close to him, Brad will cave to their powerful chemistry. And he has just the trick to make it impossible for Brad to shake him: pledge with Brad's fraternity, Alpha Theta Mu. It's the hottest fraternity on campus. The one every guy's trying to get into. Fortunately for Ian, the fraternity's Archon Aaron takes an interest in him. Playing along will help him pledge and keep him close to the object of his desire.

Brad wants Ian, but he fears the darkness within him. He's hurt people in the past, and he can't let himself hurt Ian. Brad knows the only reason Ian's hooking up with Aaron is to get close to him, but messing with the Archon's boy-toy isn't an option. But why can't he keep away from Ian? Why does every moment they're alone together lead to passionate kisses and sadistic games? And why do his hands keep gravitating to Ian's throat?
