Development Theory (Published in association with Theory, Culture & Society)

Jan Nederveen Pieterse

Development Theory (Published in association with Theory, Culture & Society) Jan Nederveen Pieterse
"This exciting book is a *tour de force*, spanning a broad range of approaches to development. It does not stop at critique, as so many previous books on these issues have done, but offers a unique perspective on future possibilities and the shape of things to come. It should be essential reading on all development studies courses".

- *Andrea Cornwall, Institute of Development Studies, University of Sussex*

Praise for the previous edition:

"This marvellous book should be read by every social scientist interested in development studies".

- *Keith Griffin, University of California, Riverside*

This is the second edition of this successful book. Written by one of the leading authorities in the field, it:

- Situates students in the expanding field of development theory.
- Provides an unrivalled guide to the strengths and weaknesses of competing theoretical approaches.
- Explains key concepts.
- Examines the shifts in theory.
- Offers an agenda for the future.

Jan Nederveen brings together a huge range of experience and knowledge about the relationship between the economically advanced and the emerging, developing nations.
