Song of Years

Bess Streeter Aldrich

Song of Years Bess Streeter Aldrich

The state of Iowa was still young and wild when Wayne Lockwood came to it from New England in 1851. He claimed a quarter-section about a hundred miles west of Dubuque and quickly came to appreciate widely scattered neighbors like Jeremiah Martin, whose seven daughters would have chased the gloom from any bachelor's heart.

Sabina, Emily, Celia, Melinda, Phoebe Lou, Jeanie, and Suzanne are timeless in their appeal—too spirited to be preoccupied with sermons, sickness, and sudden death. However, the feasts, weddings, and holiday celebrations in *Song of Years* are shadowed by all the rigors and perils of frontier living. Bess Streeter Aldrich's novel, originally published in 1939, captures the period in Iowa of Indian scares and county-seat wars, as well as the political climate preceding the Civil War.
