**The Air is Blue** Liam Gillick, Rem Koolhaas

When architect Luis Barragán (1902-1988) won the Pritzker Prize in 1980, he marveled that "publications devoted to architecture have banished from their pages the words Beauty, Inspiration, Magic, Spellbound, Enchantment, as well as the concepts of Serenity, Silence, Intimacy and Amazement . though I am fully aware that I have not done them complete justice in my work, they have never ceased to be my guiding lights." Barragán's aesthetic makes him colossally relevant in an art world rediscovering beauty. Here critic and curator Hans Ulrich Obrist has gathered 30 of today's most interesting and relevant artists and architects to interpret Barragán's work from every angle: Contributors include Gilbert & George, Olafur Eliasson, Fischli & Weiss, Liam Gillick, Douglas Gordon, Roni Horn, Rem Koolhaas, Ed Ruscha and Rirkrit Tiravanija.

#### **Randy Acevedo:**

Why? Because this The Air is Blue is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will distress you with the secret it inside. Reading this book beside it was fantastic author who have write the book in such awesome way makes the content on the inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of gains than the other book have got such as help improving your skill and your critical thinking means. So , still want to postpone having that book? If I have been you I will go to the book store hurriedly.

#### **Thelma Atkins:**

Is it you actually who having spare time after that spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something totally new? This The Air is Blue can be the reply, oh how comes? A fresh book you know. You are and so out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?
