Wish

Joseph Monninger

Wish Joseph Monninger

Bee's brother, Tommy, knows everything there is to know about sharks. He also knows that his life will be cut short by cystic fibrosis. And so does Bee.

That's why she wants to make his wish-foundation-sponsored trip to swim with a great white shark an unforgettable memory.

But wishes don't always come true. At least, not as expected. Only when Bee takes Tommy to meet a famous shark attack survivor and hard-core surfer does Tommy have the chance to live one day to the fullest.

And in the sun-kissed ocean off a California beach, Bee discovers that she has a few secret wishes of her own. . . .

From the Hardcover edition.

From reader reviews:

Jeffrey Lockwood:

What do you in relation to book? It is not important along with you? Or just adding material when you require something to explain what the ones you have problem? How about your free time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have spare time? What did you do? Everybody has many questions above. They must answer that question since just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is suitable. Because start from on guardería until university need this particular Wish to read.

Donald Campbell:

The ability that you get from Wish is a more deep you excavating the information that hide inside words the more you get thinking about reading it. It doesn't mean that this book is hard to be aware of but Wish giving you joy feeling of reading. The copy writer conveys their point in selected way that can be understood by anyone who read the idea because the author of this book is well-known enough. This particular book also makes your current vocabulary increase well. It is therefore easy to understand then can go to you, both in printed or e-book style are available. We advise you for having this kind of Wish instantly.

Esther Ponce:

Are you kind of stressful person, only have 10 or maybe 15 minute in your day to upgrading your mind talent or thinking skill even analytical thinking? Then you are having problem with the book in comparison with can satisfy your small amount of time to read it because pretty much everything time you only find e-book that need more time to be study. Wish can be your answer given it can be read by you actually who have those short free time problems.

Lorraine Michael:

Is it anyone who having spare time after that spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This Wish can be the response, oh how comes? It's a book you know. You are therefore out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these books have than the others?
