Control Unmasked: Trust Him in Spite of Andra Allen Standberry

Control Unmasked demonstrates the sovereignty of God's love for a young woman who just wanted to be who God created her to be. Sarah Metamorphosis was the imperfect wounded Christian serving God the best way she knew how. After 14 years of divorce, Sarah remarried her ex-husband. This remarriage unmasked Sarah's obsession to control her husband. Sarah's remarriage was almost completely destroyed, because she was unaware that she was carrying a lot of emotional baggage from her past relationships-including her first marriage. Sarah like so many women today looks at the person, the people, the situations and the circumstances more than the motivating spirit behind it.
