Eden in Limbo: A Three Act Play in Spirit Jan Jan

Have you ever wondered: What it might be like to ask God, the holy spirit, who he is and how he might be important to your life? How the holy spirit would react to traditional religious thought and images of God? If so, then Eden in Limbo: A Three-Act Play in Spirit is a must-read that captures a dramatic interaction of the human and divine. The self-named Third God, Gods holy spirit to us, comes to help humans find answers on their own with only his guidance and finally his silence. Through an American Indian, a questioning Christian, a devout Christian and her wheelchair-bound friend, a Hindi couple, a homosexual couple, a French model and a group of outspoken black women, the Third?God helps each (and the reader) to better understand themselves in relation to God. Gods purpose in this visit is simply to communicate at a human level and reflect our spiritual selves. Eden in Limbo reaches out to absolutely anyone with a sense of imagination and open-mindedness. "Eden In Limbo is a spiritual fantasy novel combining poetry with storytelling. God has taken a male human form; his female partner in the spirit world being silent to all but him. Like most men, he wants to learn to communicate better. As a God of the new century, he wants open communication with every person. In pursuit of this goal we are introduced to an American Indian, a questioning Christian, a devout Christian and her wheelchair-bound friend, a Hindi couple, a homosexual couple, a French model, and a group of outspoken black women all seeking to better understand themselves in relation to God. Eden In Limbo is a recommended work of quixotic imagination and an engaging "what if" speculative fiction."Midwest Book Review, Oregon, WI
