## **Four Letter World: Selecting Writings, 1993-1995** Dan O'Mahony

The latest collection of notebooks, journal entries, prose and random thought from the hardcore heartthrob. O'Mahony deals with the usual topics of love, lust, betrayal and punk rock - and he can actually write. Like a Henry Rollins with a heart - albeit a broken one - though comparisons with Hunter S Thompson and Charles Bukowski are probably more accurate. His peers went crazy over it: "Highly recommended" - Maximum Rock N Roll "Compulsively readable" - Punk Planet "Well written...I could'nt put it down" - Heartattack.
