Polo: The Runaway Book (The Adventures of Polo) Regis Faller

Here's a new volume every bit as charming and as mesmerizing as its companion, *The Adventures of Polo*. When the resourceful dog sets aside his brand-new book and drifts off to sleep, a curious little creature makes off with it. Polo follows in hot pursuit, setting the stage for a new series of adventures--into the sky, to a mysterious cloud made of cotton candy, through fun-house mirrors, on hot air balloons, across a desert and into the jungle. As before, Polo's journey is packed with incident and expression--80 pages of seamless, satisfying picture storytelling that call to mind the worlds of classic animated film, comics, and books.
