The Infinite Heart: Sacred Poems Renae Diane Edge

Written in the spirit of the Sufi masters, this book of sacred poetry weaves together Taoist, Buddhist, Christian, and Native American perspectives. It offers readers a contemporary road map to the inextinguishable divine light of all things. Drawing upon a myriad of observations ranging from her resident feral lap cat, hurricanes, feathers, quantum physics, jealousy, violence and doubt, to snowfall, aging, rocks, and the perfect cup of tea, Renae Edge explores the nature of her own journey to the discovery and acceptance of divine union and everlasting love.
