Internet Your Way To a New Job (Third Edition): How to Really Find a Job Online Alison Doyle

This is the third edition of this popular book. Just a few years ago, you could upload your resume to one of the top jobs sites, click a few times to apply for some jobs, and consider your job search well underway. Today, that isn't enough. The job market is becoming increasingly competitive. Hiring managers are overwhelmed with applications and are looking at new and different ways to recruit online. Hiring has changed and so has job searching. It's more complicated than it used to be and job seekers need to be prepared to use all the online job search tools to their advantage. Online job searching often seems like it can be a complicated endeavor. It doesn't have to be -- there are tips and tricks you can use to make the process run smoothly and simply. Alison Doyle will provide you with everything you need to know on how to build your career and find a new job.

Goals for the reader: This book will provide you what you need to know and step you through the process of online job searching, professional branding, social and professional networking, and career building with uncomplicated advice, tips, and techniques on how to effectively find a new job and grow your career.
