Leadership in Healthcare: Essential Values and Skills, Third Edition (Ache Management) Carson F. Dye

Today's healthcare leaders face constant challenge and change. Even as they cope with a rapidly evolving environment, they also must overcome existing obstacles inherent to running multifaceted operations. A solid value system will anchor leaders as they navigate these daily hurdles. This highly regarded book examines leadership through the lens of such values. It provides a comprehensive overview of leadership principles specific to the healthcare environment and explores both personal and team values that drive appropriate and effective behavior. Case studies, exercises, and self-assessment tools facilitate teaching, dialogue, and self-reflection. A valuable resource for seasoned practitioners and their leadership teams, the book is also used extensively in academic courses in leadership. Updates to this edition include: Expanded coverage of academic theories and popular approaches to leadership; A new chapter articulating the need to identify and develop new types of leaders in healthcare; A new chapter on the extensive work of researchers who have examined the impact of leadership on organizational outcomes; Updated and expanded discussion of servant leadership, change makers, employee engagement, emotional intelligence, and groupthink; Fresh examples and cases featuring clinical leaders, including both nurses and physicians

From reader reviews:

Rebecca Burks:

Nowadays reading books be a little more than want or need but also become a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The data you get based on what kind of guide you read, if you want send more knowledge just go with education books but if you want sense happy read one having theme for entertaining including comic or novel. The particular Leadership in Healthcare: Essential Values and Skills, Third Edition (Ache Management) is kind of guide which is giving the reader capricious experience.

Hilda Dumas:

Information is provisions for individuals to get better life, information these days can get by anyone with everywhere. The information can be a expertise or any news even a problem. What people must be consider any time those information which is in the former life are hard to be find than now could be taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you get the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take Leadership in Healthcare: Essential Values and Skills, Third Edition (Ache Management) as the daily resource information.

Lavonne Ouellette:

The reason why? Because this Leadership in Healthcare: Essential Values and Skills, Third Edition (Ache Management) is an unordinary book that the inside of the book waiting for you to snap it but latter it will surprise you with the secret the idea inside. Reading this book alongside it was fantastic author who all write the book in such awesome way makes the content on the inside easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of rewards than the other book have such as help improving your proficiency and your critical thinking approach. So , still want to hold up having that book? If I ended up you I will go to the publication store hurriedly.

Daniel Scholz:

This Leadership in Healthcare: Essential Values and Skills, Third Edition (Ache Management) is completely new way for you who has attention to look for some information mainly because it relief your hunger of knowledge. Getting deeper you on it getting knowledge more you know or perhaps you who still having little digest in reading this Leadership in Healthcare: Essential Values and Skills, Third Edition (Ache Management) can be the light food for yourself because the information inside this kind of book is easy to get simply by anyone. These books acquire itself in the form and that is reachable by anyone, yes I mean in the e-book contact form. People who think that in publication form make them feel sleepy even dizzy this e-

book is the answer. So you cannot find any in reading a book especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book sort for your better life and knowledge.
