Play script dramatized by Albert O. Mitchell. Delightfully amusing modern comedy. One set. Modern costumes. Cast of 2F, 8M, 4 Children, unlimited penguins!

This play is about a modern family who fall heir to two arctic penguins in their midwestern home, and end up with a troupe of penguins, which threaten to eat them out of house and home. The problem of adapting an ordinary home to the penguin's needs provides some engaging comedy, and leads the whole family through some rather tense situations, but it is the penguins, finally, who make their fortune.
