#### **Kimberly Lunceford:**

Is it you who having spare time and then spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something totally new? This Spy Kids 2:Island of Lost Dreams can be the reply, oh how comes? A fresh book you know. You are and so out of date, spending your time by reading in this fresh era is common not a geek activity. So what these publications have than the others?

#### **Jack Bell:**

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Spy Kids 2:Island of Lost Dreams can make you feel more interested to read.
