In 1972, the God-Realized Adept, Avatar Adi Da Samraj, opened His first Ashram (a place for religious and Spiritual practice) in Los Angeles, and He invited anyone who was interested to sit with Him and ask Him questions about Spiritual life. The Talks collected in The Method of the Siddhas are the results of those first meetings between Avatar Adi Da and twentieth-century Westerners -- and they will illuminate the reader's every conception about the nature of God, Truth, and Reality.
