Elizabeth Howard's assignment to gain crucial intelligence for General Washington leads her into the very maw of war at the Battle of Brooklyn Heights, where disaster threatens to end the American rebellion. Yet her heart is fixed on Jonathan Carleton, whose whereabouts remain unknown more than a year after he disappeared into the wilderness. Carleton, now the Shawnee war chief White Eagle, is caught in a bitter war of his own. As unseen forces gather to destroy him, he leads the fight against white settlers encroaching on Shawnee lands while battling the love for Elizabeth that holds his heart captive. Can her love bridge the miles that separate them--and the savage bonds that threaten to tear him forever from her arms?
