Gosford Park: The Shooting Script Julian Fellowes, Robert Altman

"Set in a magnificent country estate in 1932 Britain, Gosford Park is part comedy of manners and part mystery. The film is a moving portrait of events that bridge generations, class, sex, tragic personal histories - and culminate in a murder. Ultimately revealing the intricate relations of the above- and below-stairs worlds with great clarity, Gosford Park illuminates a society and way of life quickly coming to an end." In the acclaimed Newmarket Shooting Script Series format, the book contains a facsimile of the script with an introduction by director Robert Altman, an afterword by screenwriter Julian Fellowes, stills from the film, and full cast and crew credits.
