Beyond Binary

The 21st Century has seen very positive movement for LGBT+ rights in the last few years – the overturning of DOMA, SCOTUS ruling in favor of the Marriage Equality Act, American transgender politicians elected to office and landmark moments such as Apple becoming the most valuable company in the world under the leadership of an openly gay CEO. We are living in a post-binary world where gender fluency and awareness of how people identify is essential. Ashley Mardell, one of the most trusted voices on YouTube, presents a detailed look at all things LGBT+. Along with in-depth definitions, personal anecdotes, helpful infographics, resources, and more, Mardell's book is proof it does get better every day in a world where people are empowered by information and understanding. In Mardell's own words, "This book is also for allies and LGBT+ people simply looking to pack in some extra knowledge... a critical part of acceptance. Learning about new identities broadens our understanding of humanity, heightens our empathy, and allows us different, valuable perspectives."

Whether you are a questioning teen, a teacher or parent looking for advice or anyone wanting to learn the language of respect, this book is an essential guide for you.
