Mary Slessor of Calabar: Pioneer Missionary (Classic Reprint) W. P. Livingstone

Life for most people is governed by authority and convention, but behind these there lies always the mystery of human nature, uncertain and elusive, and apt now and again to go off at a tangent and disturb the smooth working of organised routine. Some man or woman will appear who departs from the normal order of procedure, who follows ideals rather than rules, and whose methods are irregular, and often, in the eyes of onlookers, unwise. They may be poor or frail, and in their own estimation of no account, yet it is often they who are used for the accomplishment of important ends. Such a one was Mary Slessor. Towards the end of her days she was urged to write her autobiography, but was surprised at the proposal, and asked what she had done to merit the distinction of being put in a book. She was so humble-minded that she could not discern any special virtue in her life of self-sacrifice and heroism; and she disliked publicity and was shamed by praise.
