*Paint by Sticker* is the most exciting new idea in activity books, both for grown-ups and kids. A compelling activity for crafters and artists, doodlers and colorers of all ages, each *Paint by Sticker* book includes everything you need to create twelve vibrant, full-color “paintings.” The original images are rendered in low-poly, a computer graphics style using geometric polygon shapes to create a 3D effect. As in paint-by-number, each template is divided into dozens of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next—it’s an activity that’s utterly absorbing, both in the pleasure of peeling and sticking and the growing satisfaction of watching a “painting” come to life, emerging from a flat black-and-white illustration to a dazzling image with color, body, and spirit.

*Paint by Sticker: Birds* celebrates the rainbow of colors and shapes of the avian world: a red-headed woodpecker, a blue jay, an orange and black Baltimore oriole, an electric bright hummingbird.
