Trigger Mortis: A James Bond Novel (James Bond Novels (Paperback)) Anthony Horowitz

James Bond won his battle with criminal mastermind Auric Goldfinger, but a whole new war is about to begin. With glamorous Pussy Galore by his side—and in his bed—Bond arrives home from America to the news that SMERSH, the deadly Soviet counterintelligence agency, plans to sabotage an international Grand Prix. He must play a high-speed game of cat and mouse on the track to stop them, but a chance encounter with a mysterious Korean millionaire, Jason Sin, warns him that the scheme is only the Soviets' opening move.

This dashing and seductive narrative of fast cars, beautiful women, and ruthless villains has all the hallmarks of an Ian Fleming original, including familiar faces such as M and Miss Money Penny. *Trigger Mortis* pits Bond and American adventurer Jeopardy Lane against a cold-blooded tycoon determined to bring America to its knees—with the help of SMERSH, who will pay any price to secure Soviet victory in the space race now driving the Cold War. The clock is ticking as the scheme unfolds, culminating in a heart-stopping New York City showdown that will determine the fate of the West.
