Dance Technique for Children Mary Joyce

A guide to show teachers how to help children explore their movements, stimulate their minds and enliven their spirits. Each of the 10 chapters teaches a specific, fundamental technique by describing activities that reinforce the technique. For example, children learn elongation of the back by participating in activities such as "The Tree Grows" and "Pop Up, Toast" - activities that help to make dance fun and rewarding for children. The difficulty level, common errors and objectives are listed for each activity so that students can easily and effectively implement them in their classes.
