## **Dog Breath Freshener Recipes** Jane Warren

These dog breath freshener recipes will get rid of bad dog breath and other doggy odors and also your dog will enjoy the healthy treats at the same time.

I know these recipes work because I make them myself for my dogs and I can assure you they don't last long. I normally cook them whilst I'm cooking a big dinner at the same time. It doesn't take long to make the treats and you have a week's worth of dog biscuits, which I find saves me some money in the long run.

Some of the ingredients you may have to outsource or use an alternative, you should be able to find most of the ingredients in a large superstore and for the unusual ingredients can be found in pet stores.
