## **Freud on Time and Timelessness (Studies in the Psychosocial) Kelly Noel-Smith**

Time and timelessness are fundamental principles of psychoanalysis yet Freud does not present a consolidated theory of temporality. In this book Kelly Noel-Smith pieces together Freud's scattered 'hints' and 'suspicions' about time and its negative, timelessness. She traces a careful temporal trail through Freud's published works and his daunting *Nachlass*, and provides a compelling reason as to why Freud kept his remarkable thoughts about time to himself.
