Home and Away: Memoir of a Fan Scott Simon

The #1 *Los Angeles Times* bestseller from the host of NPR's *Weekend Edition*--"absolutely spectacular--wise and intimate, often funny, always touching" (Scott Turow)--now in paperback, In a beautifully written narrative that runs from childhood to adulthood through times of war and peace, Scott Simon movingly traces his life as a fan--of sports, theater, politics, and the people and things he holds dear. *Sports Illustrated* columnist Ron Fimrite says of *Home and Away*, "Rarely do you find in books of this genre a clearer look into mysteries and confusions of childhood . . . moving and often amusing portraits . . . insights into the complex and often corrupt world of Chicago politics, the city being this book's true protagonist. There are compelling scenes from Simon's years as a war correspondent, roving reporter, and political operative . . . There is also an emotional account of Michael Jordan's last championship season with the Bulls that is a book within a book . . ."The writing is uniformly superb. This is, in fact, a memoir of such breadth and reach it compares favorably with another book that is allegedly about the nature of sports allegiance, Frederick Exley's *A Fan's Notes*. And that, believe me, is saying something."
