How the Foreign Exchange Market Works (New York Institute of Finance) Rudi Weisweiler

Tending to one's own trade and production and letting foreign exchange issues take their course was once a credible way to conduct business. No longer. As "How the Foreign Exchange Market Works" clearly demonstrates, the growth of international business and the spread of multinational corporations have made the dynamic foreign exchange market a major concern for business in the 1990's and beyond. And, with the growing interdependence of the world financial markets, investors naive to the global currency markets will see their fortunes dwindle. London-based financial authority and market practitioner Rudi Weisweiler brings the key Forex issues home for investors and financiers alike.
