Human Rights and the Uses of History

Samuel Moyn

Human Rights and the Uses of History Samuel Moyn

What are the origins of human rights? This question, rarely asked before the end of the Cold War, has in recent years become a major focus of historical and ideological strife. In this sequence of reflective and critical studies, Samuel Moyn engages with some of the leading interpreters of human rights, thinkers who have been creating a field from scratch without due reflection on the local and temporal contexts of the stories they are telling.

Having staked out his own claims about the postwar origins of human rights discourse in his acclaimed *Last Utopia*, Moyn, in this volume, takes issue with rival conceptions—including, especially, those that underlie justifications of humanitarian intervention

From the Hardcover edition.
