Piloting With Confidence James Spudich

Piloting with Confidence-Charts, Checklists, Systems & Cockpit Tips describes examples of charts and checklists that every careful pilot should be using during all phases of flight. This book emphasizes the importance of creating your own charts and checklists, which particularly suit your individual needs. Making use of your computer and personal digital assistant (PDA) is emphasized throughout the book. The book contains a preface and seven chapters with over 140 pages of information of importance to every pilot. Checklists and charts included are: Your Personal Written Checklist, Your Personal Progress of Flight Chart, RPM or MP Settings and Associated Descent Rates, V-Speeds and Performance Specifications, and Load shedding in the event of Alternator Failure.
