Sphinx's Princess (Princesses of Myth)

Esther Friesner

Sphinx's Princess (Princesses of Myth) Esther Friesner

She was far more than just a pretty face. . . .

Although Nefertiti is the dutiful daughter of a commoner, her inquisitive mind often gets her into situations that are far from ordinary, like receiving secret lessons from a scribe. And her striking beauty garners attention that she'd just as soon avoid, especially when it's her aunt, the manipulative Queen Tiye, who has set her sights on Nefertiti. The queen wants to use her niece as a pawn in her quest for power, so Nefertiti must leave her beloved family and enter a life filled with courtly intrigue and danger. But her spirit and mind will not rest as she continues to challenge herself and the boundaries of ancient Egyptian society. With control of a kingdom at stake and threats at every turn, Nefertiti is forced to make choices and stand up for her beliefs in ways she never imagined.

As she did in *Nobody's Princess* and *Nobody's Prize*, author Esther Friesner offers readers a fresh look at an iconic figure, blending historical fiction and mythology in a heady concoction.
